

Peterson-Kaiser Health System Tracker

Measuring the costs and performance of the U.S. health system

07.29.2015 | METHODS

How much is health spending expected to grow?

Data are Kaiser Family Foundation analysis of National Health Expenditure (NHE) data from the Centers for Medicare and Medicaid Services, office of the Actuary, National Health Statistics Group. Both historical and projected data are used.

Where 2014 actual data are used, 2015 projection data are based on the original expected compound growth rate.
